REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (*such burning is restricted by regulation to be prior to 9:00 A.M. and after 5:00 P.M.*)

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

Exceptions

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Remember! Only You and I Can Prevent Forest Fires
Fires Reported:

State	484 fires	—	244 acres
District	46 fires	—	16 acres
New Hampton	2 fires	—	3½ acres

PLANNING BOARD REPORT

The Planning Board of the Town of New Hampton submitted subdivision regulations at a public meeting of the town on May 14, 1970. Since this time several individual residents as well as corporative developers have submitted plans for the board's approval throughout this year.

The board has eagerly answered many questions from private individuals as well as large land developers in anticipation of sincere cooperation and a better understanding of the functions and powers of the board.

Many of our neighboring towns have requested copies of our regulations in order to study the results of a board of this type. This is a new and partially unexplored area, but as the town progresses and changes, restraints become necessary in order to maintain our present status.

Various aspects of the town have been discussed by the board, such as the possibility of providing the town with a beach for the use of its residents.

The Planning Board meets the second Thursday of every month at the Gordon-Nash Library. If you have any questions or problems in regard to subdivision regulations, please feel free to present them before the board. The major goal of this board is to protect our town, our community, and our way of life.

TRUDY MUDGETT,
Secretary

NEWFOUND AREA NURSING ASSOCIATION

January 1, 1970 through December 31, 1970

A full time visiting nurse service was started on July 1, 1969. The Newfound Area Nursing Association became Medicare certified on August 20, 1969. It is supported by contributions from the four-town area which it covers: Bristol, Bridgewater, New Hampton and Alexandria. The office is located in the Bristol Medical Center. Twenty-four hour coverage is available in the event of emergencies. When the Visiting Nurse is making calls, the telephone is covered by an answering service located in the Community Service Office from 9:00 A.M. to 4:00 P.M. This year NANA purchased a new black Jade Maverick to be used by the Visiting Nurse. It can be easily identified by NANA's own gold insignia painted on the side and the identification number plate NANA1. The nursing staff has increased with the addition of two part-time nurses. The total number of nursing visits for 1970 was 1585, with the break down as follows:

Skilled nursing care visits:	1303
Physiotherapy visits:	61
Health promotion - no charge visits:	218
Consultation visits:	3

These nursing visits covered all age groups with a varied number of problems as can be seen by the following: 17 visits were made to age group newborns to 1 yr.; 31 visits to children 1 to 4 yrs.; 37 visits to age group 5 - 17 yrs.; ten visits to age group 18 to 20 yrs.; 107 visits to age group 20 to 44 yrs.; 235 to age group 45 to 64, and 1148 visits to people 65 and over.

The nurse has participated in the following activities in 1970:

1. Nursing Conferences: 19
2. Staff Conferences: 29
3. Annual NANA meeting: 1/28/70
4. Medicare Clinical Audit: 3
5. Professional meetings: 5
6. Community Service conferences: 6
7. Doctor's Consultations: 24
8. Industrial Tour: 1
9. Mental Health Consultations: 5
10. Public Service Police & Fire Dept.: 1
11. Bloodmobile: 1
12. State Certification Survey: 1
13. In Service Education: 3

Auditor's Opinion

February 8, 1971

Newfound Area Nursing Association
Bristol, N.H. 03222

I have examined the balance sheet of the Newfound Area Nursing Association as of December 31, 1970 and the related statement of income for the year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

Although I did not confirm the accounts receivable, I satisfied myself that the amount shown, \$2,666.00, represents amounts due from individuals, the State of New Hampshire, and Medicare for nursing services rendered.

Subject to the preceding comment, in my opinion the accompanying balance sheet and statement of income present fairly the financial position of the Newfound Area Nursing Association at December 31, 1970 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.
